

# AN ADVENTURE!!!!!!

Yesterday Alisha, Caoimhe and Michelle came over to my house, we had the **CRAZIEST ADVENTURE! THIS IS NOT A DREAM** or **OUR IMAGINATION!!!**

*It all started like this.....*

*When they arrived we all went out to my tree-house and we were just talking when my cat, Tabby jumped up and scratched poor Michelle's face! I leaned forward to slap him when.....he SAID!!!! "Not so fast!!" and then *hit* my outstretched hand.....*

Everything a while after that is a *blur* but when I regained consciousness I was tied-up to a wall with Alisha, Caoimhe and Michelle along-side me. All of a sudden the window to my left broke and Bruno (*my*

*dad's dog, dad of my dog*) burst through wearing a leather jacket, Chelsea (*my dog, daughter of Bruno*) jumped through followed by Sproket (*my granny's dog*) also wearing leather jackets (Chelsea's was purple, Sproket and Bruno's were black). Once we were all untied we climbed out the window and boarded a small JET!!!!!!

On the way to the dog's layer they explained that we were in the land of Sorf and Tabby was trying to take over by turning everyone into statues with a magic barrier (He forced a fairy to do that. Don't worry **CAT'S CAN'T do MAGIC!!**) so that no one other than him could leave!!!!

**FINALLY!** We got to the dog's layer. It was **soooooooooooooo cooooool!!!!!!** It had a 10m by 5m smart TV. A massive disguise room, computers and lots of other **really cool** stuff. After the 4 of us had looked around and Caoimhe pressed a **BIG red** **BUTTON** that said **"DO NOT**

**TOUCH”** and FIREWORKS went off (Chelsea was not too happy about that). We made a MASTER PLAN, here it is!!!

## MASTER PLAN

1. Bruno, Caoimhe and Michelle make a distraction (throwing balls of wool everywhere).
2. Sproket, Chelsea, Alisha and I sneak into Tabby's base.
3. Chelsea and Sproket deactivate the machine that turns people into statues while Alisha and I go on look-out.
4. We all do a **VICTORY DANCE**

Then we put it into **ACTION!!!**

We were in Tabby's base (*Step 2.*) Chelsea and Sproket were deactivating the machine (*Step 3.*). It looked very strange with a cannon thing poking out from it and a strange hemi-sphere shape at the sides. All the buttons looked very confusing and I was glad that I wasn't deactivating it!!! After what seemed like FOREVER, Chelsea finally announced "It is done"!!!! Just at that moment Bruno, Caoimhe and Michelle burst in the door and we all did a **VICTORY DANCE!!!!!!!!!!!!** (That was step 4)!!!!

A while after that we were all at a party that everyone (when the machine was deactivated they turned back to normal) had thrown for us, it was the best party I'd ever been to!!!!!! There was a huge buffet and Alisha had not left it for the WHOLE party!! Her dog Buster was the DJ!!!!

Well that's the CRAZY ADVENTURE myself Alisha, Caoimhe and Michelle had yesterday I hope you enjoyed it!!! I really enjoyed today but

now I'm exhausted. I'm going to go to sleep  
now!!!!!!!!!!

**GOOD NIGHT!!!!**

Bye *ALEX KENNY*
